

Pan Patel, Business Man

In the early 1990's I joined the Civ-Mil organization. I have serviced as a director since 2006. I serviced six years as a director of Antelope Valley Chamber of Commerce. I helped with bringing the Rosamond Chamber back to Rosamond. Serviced three years as a director and the last two years as Vice President. Helped acquire the property next to the Chamber building that will be used as the new Rosamond Event Center.

In 1999 I purchased the Devonshire Inn and the Rosamond Mini Storage. I have helped with programs in Rosamond, Lancaster and events that the Civ-Mil organization has put on.

I would like to continue to serve as a director for this wonderful organization. Thank You for your support.
